REMARKS

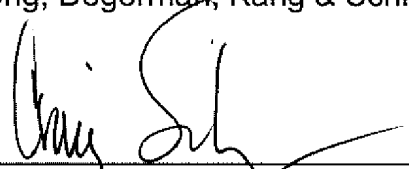

Applicant respectfully requests that the specification be amended to include the contents of page 12 of the PCT application that were inadvertently omitted from the national stage application. Further, applicant respectfully requests that drawing sheets containing FIGS. 1 through 11 replace the drawing sheets originally filed. Page 12 and FIGS. 3 and 7 through 11 are included in the PCT International Publication Number WO 2005/029770 published on March 31, 2005 of which this application is a national stage application. This preliminary amendment corrects an obvious error and no new matter has been added.

If for any reason the Examiner believes a telephone conference can advance the prosecution of this application, the Examiner is requested to call the undersigned attorney at the Los Angeles, California, telephone number 213-623-2221.

Respectfully submitted,
Lee, Hong, Degerman, Kang & Schmadeka
